

## Boeing Proprietary and Specialty Parts, Directly from Boeing

Boeing Distribution Services is a global strategic service partner for parts, chemicals and supply chain optimization solutions, within the aerospace and defense sector.

We offer a wide range of the original equipment manufacturer (OEM) parts portfolio corresponding to industry-leading quality standards from one source. Boeing Proprietary and Boeing Specialty Parts are available for both in and out of production aircraft and are engineered in accordance with Boeing quality systems, to meet our customers' demands. Boeing Distribution Services is Boeing's preferred authorized distributor for all Boeing designated fasteners and bearings as specified by Boeing's D1-4426.
